Arabs Breaking Jews' Grip On Jerusalem

Bomb Tel Aviv Bus Station; 20 Killed

By DANIEL De LUCE

In the old city of Jerusalem, the shrine-dotted old city of Jerusalem today let go a roaring mortar fire which appeared to be loosening the Jewish grip on the rest of the city.

Tel Aviv dispatches said a fighter-bomber, identified by its green markings as Egyptian, dived-bombed a crowded bus station in the capital of Israel and the dead alone were expected to reach at least 20. It was the third raid of the day and the fourth consecutive day that Tel Aviv has been bombed.

Today's news appeared the worst from the Jewish viewpoint since the proclamation of the new state of Israel and the subsequent invasion by Arab armies.

Jews Alarmed

The Jews feared their Hagahah fighters had forced the unconditional surrender of Arabs in the port city of Acre 12 miles north of Haifa in the climax to three days of street fighting. It was the only major victory claim of the day from Israel. (The legion from its brights commanding Jerusalem was within sight of the skyline of Tel Aviv. The legion appeared to be in complete control of central Palestine—all Arab territory under the U.N. partition plan which the Arabs refused to accept.)

De Luce, in an earlier dispatch, said he believed that if a major battle develops in the near future it would be south of Tel Aviv, where the Egyptians have invaded with the largest numerical forces.

Protests To U.N.

Moshe Shertok, foreign secretary of Israel, protested to the United Nations Security Council at Lake Success that the Trans-Jordan Arab legion violated a cease-fire agreement by entering the old walled sector of Jerusalem. He said the legion entered the old city Sunday. Hagahah positions in the Jewish quarter of the old city on the slopes of Mount Zion were under heavy fire from Arab legion howitzers about 4 p.m. today. The shelling only ceased at dusk and was almost certain to resume tomorrow.

Arabs, who had been under heavy Jewish mortar fire, were greatly relieved that the legion had come to rest. Two Arab children were killed when a Jewish mortar shell exploded in David's street in the old city at noon. A dozen Arab civilians were wounded.

Pasha Tours Front

British Brig. John Glubb Pasha, commander of the legion, personally toured the front today. The legionnaires had artillery in position to shell the Jewish approaches to Jerusalem. Arab legion artillery and infantry closely encircled all of Jerusalem and the strategic outlook for the Jews appears hopeless.

Determined Arab infantrymen marched swiftly into the old city in the afternoon and took up positions almost adjoining Jewish machine-gun nests.

Federal Mediators Hold Long Session On Meat Strike

Chicago, May 18.—(AP)—Federal mediators held meetings today and tonight with the nation's top packers and the striking CIO Packinghouse Workers amid reports that the union was ready to accept a nine-cent wage hike but objected to possible discharges.

However, the meetings recessed without comment from either side. Mediator Frank Walsh said "there's nothing further on the books for tonight but that doesn't mean we won't have further meetings with the packers and the union tomorrow."

Some of the meetings were separate sessions with the union group alone, some with the packers alone, and some union mediator meetings were attended by packer representatives.

Sitting in on the talks was Minnesota's Governor Luther Youngdahl who used the national guard to reopen the violence-ridden south to St. Paul stockyards. The governor said that he would reserve any comment on the talks until he returned to St. Paul. He added that he was flying back tonight as soon as arrangements could be made.

HEADS ROTARY

Rio De Janeiro, May 18.—(AP)—Angus Mitchell of Melbourne, Australia, was elected president today of the International Rotary clubs.

Richard E. Vernon of Chicago was elected treasurer.

Registration reached 7,110 today, making this the largest Rotary convention ever held outside the United States.

CANADA HAS RECORD BUDGET PLAN

Ottawa, May 18.—(AP)—Canada achieved a record \$670,000,000 budget surplus last year but it won't get much tax relief, finance minister Douglas Abbott said tonight.

Presenting his 1948-49 estimates to parliament, Abbott suggested only minor tax cuts. He said he wants to hold down inflation, pay Canada's debts in these good times against a rainy day and to build reserves against emergency defense needs.

Oak Ridge Labor Dispute Remains Deadlocked

Washington, May 18.—(AP)—A presidential inquiry board reported today that the labor dispute at the Oak Ridge, Tenn., atomic energy plant remains deadlocked.

A court injunction against a strike runs out June 7.

In a second report to President Truman under the Taft-Hartley act, the board asserted:

"The labor dispute between the Carbide and Carbon Chemicals Corporation and the Atomic Energy Commission (AEC) at the Oak Ridge national laboratory remains unsettled."

"The situation described in the first report of this board, submitted March 15, 1948, is substantially unchanged."

The board said "the position of the two parties remains unaltered and the dispute unsettled."

Again the board reported that continuous operation of atomic energy plants "is especially vital to the national safety."

"The board is of the opinion that the limitation of the union to strike in support of its bargaining position."

The board also called attention to the union's claim that work at the laboratory "exposes its members to potential hazards of unknown kind and degree."

Truman Appoints Inquiry Board On Phone Dispute

Washington, May 18.—(AP)—A special inquiry board was established by President Truman today to investigate the threatened strike of CIO Long Line Telephone Workers.

The move drew a quick protest from the long lines department of the American Telephone and Telegraph company, against which the American Telephone Workers union threatens to strike.

The president created the fact-finding board under procedure laid down by the Taft-Hartley law. His executive order stated that the dispute "threatens to result in a work stoppage imperiling national health and safety."

Bartlett T. Miller, vice president of A. T. & T.'s long lines department, issued a statement saying the company is "wholly at a loss to understand the president's order."

"The company's opinion was not sought," he said. "The employees affected comprise less than five percent of the total employees in the telephone communications industry and we find it difficult to believe that any emergency exists that imperils the national health and safety."

"Neither the union nor the company has broken off negotiations with the company expected to continue negotiations with the union tomorrow."

Mr. Truman did not name the membership of the board immediately, although it was directed to make a report to the White House by June 8.

Man Confesses Slaying Employer, Wife After Dispute

Los Angeles, May 18.—(AP)—Sheriff's Inspector Gordon Bowers said today Robert H. Hansen, 34, had admitted he shot and killed a young couple whose decapitated, headless bodies were found on the bleak Mojave desert.

Hansen led officers yesterday to the mutilated bodies of Ralph Dirksen, 40, radio repair man, and his wife, Olga, 35. Their partly cremated heads and their hands were discovered Saturday in an incinerator in the rear of Dirksen's shop.

Hansen, booked on suspicion of murder, was taken today to the little home back of the shop where he lived with the Dirksens. While there he sobbed and collapsed.

Inspector Bowers said Hansen in an oral statement, related he first killed Dirksen and then Mrs. Dirksen. The sheriff's officer said Hansen, an employee of Dirksen, said he had been arguing for a long time with the radio shop man over money matters.

Draft May Reach House Next Week

Washington, May 18.—(AP)—The congressman who was expected to block the draft bill predicted today that the House rules committee probably will approve the measure and send it to the House floor next week.

The prediction came from Rep. Leo E. Allen (R-Ill.), chairman of the Rules committee which began hearings today on the draft bill previously approved by the House Armed Services committee.

Two defense measures were approved by the House Armed Services committee today. They were:

1. A bill to let the Department of Defense hold on to about 200 surplus world war II plants as a reserve.

2. A measure to authorize the navy to stop work on 12 unfinished warships in order to start building the world's largest ship—a giant 65,000-ton aircraft carrier. The bill carries other construction changes.

A subcommittee okayed it yesterday.

Rep. Allen, despite his prediction of the draft bill passage, still contends the army has never given voluntary enlistments a fair trial.

He has recommended a bonus plan, paying volunteers up to \$1,500 to enlist in the armed forces. He said this substitute would make the draft unnecessary. President Truman called the idea insane.

"Brass hats just want this draft, that's all," Allen said. But he added the bill probably will be approved by his committee anyway.

Today's hearings indicated there would be a fight before such approval is won.

Question Necessary

Rep. Brown (R-Ohio), presidential campaign manager for Senator Taft (R-Ohio), asked whether a draft bill would be necessary if President Truman does not approve steps to build the air force up to 70 combat groups.

Rep. Andrews (R-N.Y.), chairman of the House Armed Services committee which worked up the draft bill and approved it 28 to 5 early this month, said a draft is needed right now to bring the army up to authorized strength.

Rep. Sabath (D-Ill.), ranking member of the Rules committee, wanted to know if the United States has "really suffered anywhere" by not having a full-strength army.

Andrews did not answer that question but he said a two-year draft is vital unless we are willing to gamble dangerously with the national security.

UAW Files 10-Day Strike Notice Against GM

Detroit, May 18.—(AP)—An unannounced "double-barreled" strike against two of the automobile industry's three largest producers drew one step nearer today.

The CIO United Auto Workers, pressing their third postwar wage drive, filed a 10-day strike notice against General Motors Corp., the industry's biggest manufacturer.

A GM strike would shut more than 90 plants across the nation and leave 225,000 employees, three times the number who have been on strike at 16 Chrysler Corp. plants for seven days.

Two of the Big Three car firms, which also include Ford, have never been struck simultaneously. But union officials say strike plans at General Motors would not be altered by continuation of the Chrysler holdout.

A 10-day wait for a GM walkout would make the deadline fall on May 28, when the company's contract with the UAW expires after a 30-day extension.

In an effort to head off the second postwar General Motors strike, company and union negotiators stepped up the tempo of their two-month bargaining sessions. UAW vice president John W. Livingston joined the conferences for the first time.

The UAW is asking General Motors for a 25-cent hourly wage boost, five cents less than the Chrysler demand. It has agreed to divert 10 cents of that figure toward a pension plan. Other fringe benefits are asked of both firms.

MISSIONARY DIES

Philadelphia, May 18.—(AP)—The Rev. Dr. Walter C. Erdman, 70, died today of a heart attack while on his home. He was secretary of the Presbyterian board of foreign missions for a 25-cent hourly wage boost.

Dr. Erdman was on his way to Korea for the board in 1906. Dr. Erdman remained in Korea until 1920. He was a native of Chicago.

In 1939 the United States published 180 million books, the largest part of which were school texts.

Before World War I fiction led all other types.

Lewis Threatens End To Contract Talks

BULLETIN

Washington, May 18.—(AP)—Soft coal operators risked a quick showdown with John L. Lewis tonight by deciding to back the Southern Coal Producers Association as spokesman for southern pits in wage talks.

The decision, if fought out to the end, might bring on a break-up of the contract negotiations before they are well started.

Washington, May 18.—(AP)—John L. Lewis threatened tonight to end the soft coal contract talks if the operators insist on including a representative of the Southern Coal Producers Association.

The showdown may come tomorrow. A vote was pending to decide whether to seat the association's president, Joseph E. Moody.

If that is done, the massive leader of the United Mine Workers declared, there will be no conference. "And the coal industry again will have failed its obligations to the public, and I suppose the price of coal will again advance, and the propaganda of the Southern Coal Producers Association will say that the fault is the arbitrary action of the United Mine Workers," he told the conference.

Moody Ineligible

Lewis says Moody isn't eligible to participate because the association did not sign the present contract, which expires June 30. The current talks are designed to draft a new contract.

Meanwhile, in a downtown courtroom, the judge who twice has imposed heavy fines on Lewis and his miners ruled out further penalties for their convictions last month of civil and criminal contempt of court. He already had fined them heavily under the criminal contempt conviction, and the civil case was pending.

This action, by Federal Judge T. Alan Goldsborough, was taken on request of the government, which noted that normal resumption of coal production had been achieved.

Won't Let Injunction

But he refused a request to abandon his 80-day anti-strike injunction hanging over the miners. He said he is not convinced they won't strike again. He promised to think it over.

The pension feud now has taken the form of civil litigation in which operators seek to block a plan backed by Lewis to pay \$100 a month to union miners of 62 who have worked 20 years.

Security Council Hears War Reports From Palestine

Lake Success, N.Y., May 18.—(AP)—The United Nations security council heard Palestine today under a barrage of urgent official dispatches that war is rampant in the Holy Land.

French Delegate Alexandre Parodi reported the French consulate in Jerusalem was under machine-gun fire. Parodi said a battle raged all night and the consulate was isolated. Six persons have been wounded there, he said.

Parodi warned the council that it could expect little news from its French-American-Belgian consular commission in Jerusalem. He said the French consulate had no communications with other sections of the city.

A telegram from Foreign Secretary Moshe Shertok of Israel charged that armed Arabs had entered the old walled city of Jerusalem Sunday and broke a U.N.-arranged cease-fire.

A complaint from King Abdullah of trans-Jordan said a mortar shell fell within the Moslem compound in front of the dome above the sacred rock—site of the Mosque of Omar—during a Jewish offensive against the old walled city.

Delegates heard the reports from Palestine after chief American delegate Warren R. Austin said no nation can rightfully challenge U.N. recognition of Israel.

Austin flared up angrily after Syrian delegate Faris El Khoury said the United States blundered and had no right to recognize the new Jewish state.

During the afternoon delegates gravely studied reports of the new bombing of Tel Aviv and the officially reported entry of Arab Legion units into Jerusalem.

Cardiff Giant Goes To Rest In Home State

Cooperstown, N.Y., May 18.—(AP)—The Cardiff giant, once accepted by the scientific community as a "perfected human," before it was revealed as a gigantic hoax, found a final resting place here today after 79 years of wandering.

The stone Goliath, one of America's most sensational practical jokes, goes on exhibition tomorrow in the Farmers' Museum of the New York State Historical Association. Nearby memorials to the giants of baseball history are housed in that sports hall of fame.

The Cardiff giant, measuring 10 feet, 4 inches and weighing 2,900 pounds, is on view in approximately the same position in which it was uncovered in 1869 on the farm of "Stubbs" Neill, near Cardiff, in Central New York.

Workers digging a well there unearthed a giant "body," slightly longer than the man had died in.

Crowds swept into Cardiff to view the "giant in the earth." They paid 50 cents to look. The take soon reached \$100 an hour.

Scientists, ministers and educators acclaimed the "find" as the greatest marvel ever discovered. A Yale graduate said it was of Phoenician origin. The New York State geologist said it was a statue, probably made before Indians inhabited America.

Others held it substantiated an age-old Indian tale of an onondaga stone giant.

In the midst of the furor, George Hull, Binghamton tobacco dealer, confessed the Cardiff giant was his brain child.

For a barrel of beer, he had obtained a block of gypsum at Fort Dodge, Iowa. The stone's blue streaks later were "identified" as petrified veins.

A Chicago sculptor fashioned the giant recumbent figure. Hull rubbed the statue with sulphuric acid to give a mellow, aged-in-earth look.

Judge Extends Restraining Order On Railroad Strike

Washington, May 18.—(AP)—Federal Judge George G. Goldsborough tonight extended until May 29 the restraining order which blocked a threatened railroad strike last week.

He also postponed until May 28 a hearing which had been scheduled for tomorrow morning on the government's request for an injunction to replace the order.

That order was to expire tomorrow night.

The extension was made at request of the Justice Department because officials of three big unions involved—the locomotive engineers, firemen and switchmen—renewed negotiations today with representatives of the railroads in another effort to settle their long dispute over working rules and wages.

The heads of the three unions sent a letter to John R. Steelman, President Truman's labor adviser, suggesting that, in view of the new talks now going on, they be relieved from litigation for a reasonable period.

Technically the government is in possession of the railroads Mr. Steelman having seized them on May 10 in order to get the restraining order which impelled the unions to call standing at the coast-to-coast strike they had set for May 11.

But if the private companies and the unions can reach an agreement, the government is ready to turn Japan's naval forces June 4, 1942, back the properties to their owners. Waldron, along with 28 other men, was killed. Only one navy sailor survived today for the first time since the government blocked the attack on United States task forces.

Bill To Curb Communism Near Passage

Washington, May 18.—(AP)—By a shouted vote, the House refused today to kill a bill designed to put tight restraints on Communist activities.

Supporters got behind a drive to pass the bill tomorrow. The start of today's debate had been held up by a mass of routine business.

Rep. Miller (R-Conn.) made the motion to kill the bill by striking out the enacting clause. He said the main effect of the legislation would be to "drive underground the dangerous elements."

Rep. Nixon (R-Calif.), co-author of the bill, replied. He said the measure which he and Rep. Mundt (R-S.D.) drew up would strike "only at the subversive activities of communism in the United States and not at communism as an idea."

Predict Senate Opposition

House passage of the bill appeared certain. Rep. Douglas (D-Calif.), who opposes it, estimated that not more than 40 votes would be cast against it. But he also predicted that the Senate never will accept such legislation.

The Mundt-Nixon bill, which was approved by the House committee on un-American activities, would make it a crime to try to set up a foreign-controlled totalitarian dictatorship in the United States. Penalties would range up to 10 years in prison and a \$10,000 fine.

Communists would be barred from non-elective federal jobs and would not be granted passports. Communist propaganda, written or oral, would have to be labeled as such. The communist party would have to tell the source of its money and how it spends it.

Stassen Says Taft And Dewey Forces Have Combined

Roseburg, Ore., May 18.—(AP)—Harold E. Stassen said here tonight that Dewey and Taft forces were combined to stop him in his bid for the Republican presidential nomination.

At the climax of a heavy campaigning day in which he traveled nearly the width of the state of Oregon, Stassen told a Roseburg audience: "It is apparent that we face a combination of opposition."

He named Senator Robert A. Taft of Ohio as a member of this "opposing combination."

After the Nebraska primary, the Minnesota Republican presidential aspirant said, "It has directed its full force on this Oregon primary. An unprecedented amount of newspaper advertising, billboards, radio time, paid campaign workers, and contacts, have put on a tremendous opposing campaign."

Senator Taft is not entered in the Oregon primary election, which has only Stassen and Gov. Thomas E. Dewey of New York on the Republican presidential preference ballot.

Dewey has flatly denied joining with Taft in a "stop Stassen" effort. He scouted the rumors of a "combination" as "pure fiction."

Fire Damages Palace Of Dutch Queen Wilhelmina

The Hague, The Netherlands, May 18.—(AP)—The big ballroom and the private apartments of Queen Wilhelmina in Noordeinde Palace were burned out today.

The Queen, who is 69, quit her throne after her golden jubilee in September, was not endangered. She was at her summer residence, Het Loo.

About 600 military men were mobilized immediately to save the art treasures and other valuables housed in the Palace.

Prince Bernhard, husband of Princess Juliana, aided in saving some of the valuables.

Fire Chief C. W. Otten estimated damage at about 250,000 guilders (nearly \$100,000). Nearly all valuables were saved and the damage was mainly to the building, the center section of which was hardest hit.

The depression of the 1930's brought a drastic decline in ministers' salaries.

STASSEN TO VISIT CHAMPAIGN, PEORIA

Champaign, Ill., May 18.—(AP)—Harold E. Stassen, GOP presidential candidate, will address meetings here and in Peoria May 28.

Prof. R. R. Barlow, secretary of the Illinois press association, announced today that Stassen will address the association's banquet in Peoria the night of May 28. At 4 p.m. in the afternoon the former Minnesota governor is to address a Champaign meeting arranged to bring out voters from among the University of Illinois student body.

Soviet Veto Given Blame For Tension

Washington, May 18.—(AP)—The United States tabbed Premier Stalin's latest peace statement as "encouraging" today, but put the blame for world tension on Soviet hold-outs at international council tables.

It again ruled out, as it had done last week, any idea that great world problems can be settled by the United States and Russia alone.

In a formal statement, the State Department declared that these issues are matters in which many other countries have an "intimate and compelling interest."

Officials noted that the latest move in Stalin's "peace offensive" took the form of comments on a peace program put forward by Henry A. Wallace, third party presidential candidate. They said they suspected the Stalin statement was a propaganda stroke designed, among other things, to depict Russia as a foremost lover of peace, and to build up the form of comments on a peace program put forward by Henry A. DIXIE WILL WAIT AND SEE

Southern Democrats have decided to wait and see whether the party nominates President Truman in Philadelphia. If it does, they propose to meet in Birmingham and nominate their own candidate, and so resolved at their Jackson, Miss., meeting.

Some of them, notably Georgia, may repent, but it is plain that, for the first time since the Civil war, both the people and their leaders in a majority of the southern states are ready to bolt. A few of them deserted the party to vote for Herbert Hoover in 1928, but it was against the advice of their leaders. That year Mississippi, the leader in the present bolt, voted seven to one for Al Smith.

When Mississippi threatens to leave the Democratic party, there is blood on the moon. And that's the case today. Only a drastic change of policy on civil rights, and some very resourceful ambiguity in the writing of it to keep from losing too much support in the north, will save the day in the south.

GO WEST FOR HUSBANDS

There are nine single men to each single girl in Alaska, according to the Cosmopolitan magazine. The ratio reaches 50 to one in Hawaii, the Philippines, Japan, Korea and China. Of the 48 states, Nevada has the highest ratio of marriageable men to women—195 to 100, or almost two to one. Montana, Idaho, Wyoming and New Mexico also show a heavy balance of men. It looks like too many young men have gone west. Today we might change the advice to: "Go west, young woman, go west."

Boyle's Column

He Is The 'Father Of Modern Israel'

By Hal Boyle

New York. For many years ago a boy was born in Russia who had a great dream.

The boy was a Jew. His dream was that his long-wandering people again would come home to Palestine.

And into his dream the boy poured his whole long life. But the dream a man gives his life to rarely comes true in the way he wants it.

Nor did it for the boy—now Dr. Chaim Weizmann, provisional president of the world's newest state, Israel.

Wanted No Bloodshed

For his entire career was devoted to creating a homeland for the Jews without bloodshed. He thought they had known too much of bloodshed. But already less than a week after declaring their republic—his people are besieged, clashing with invading

armies.

The din of distant battle doesn't reach the ailing 73-year-old scientist as he lies in his hotel room here. But it must hurt his heart. He has always hated violence and terrorism, always fought for peace.

He is a strange genius of many talents—this elderly chemist, statesman and money raiser.

Symbol of Freedom

To the average American Dr. Weizmann is only a half-familiar figure. But for a generation his name has sounded like a bell to millions of oppressed Jews in many lands—a bell to freedom, a bell to guide them from the dirty ghetto and the fatal poison.

Born in Russia, educated in Germany, Chaim Weizmann became a teacher of biochemistry in Manchester and a British subject. As his renown spread in scientific circles so did his fame as an advocate of Zionism.

He never shouldered a gun but he played a big role in helping the allies win two world wars.

Great Scientific Service

Well-known is the story of how Lindbergh, faced in 1916 with a critical shortage of acetone needed in the manufacture of explosive cordite, summoned Weizmann. Within a month the chemist, by isolating bacteria from certain organisms found in horse droppings, discovered a way to produce synthetic acetone in large quantities.

Asked what he wished in reward, he replied: "Something for my people."

This is reported to be the basis

for the controversial Balfour Declaration of 1917 which promised a homeland for the Jews in Palestine. But the declaration also said nothing would be done to "prejudice the civil and religious rites of existing non-Jewish communities" in the country, which then held ten Arabs for every Jew.

Helped Again in W. W. II

In the second world war Weizmann supported the allies, offered his help in synthetic rubber researches. One of his two sons, an R.A.F. flier, was lost on a patrol mission over France.

Dr. Weizmann pioneered in the colonization and economic development of modern Palestine, helping its deserts to flower. In one trip to the United States in 1923 he raised \$1,500,000 in cash for Palestine.

Today "the father of Israel"—a bald, short, smiling little man with a goatee that makes him look like Lenin—is old and tired. He has been in poor health since an eye operation in 1946.

Young men must save the state he helped carve out by 50 years of diplomacy. But they fight now to save it—as all states have fought to save themselves throughout history—with blood and iron.

Bus Overtakes; 8 Slightly Injured

Taylorville, Ill., May 18.—Eight passengers were injured today when a Dixie Greyhound bus en route from Springfield to Cairo overturned in a ditch on Route 29 six miles west of Taylorville yesterday.

Most of the injured persons were from Taylorville and vicinity. They were treated at St. Vincent's hospital for cuts and bruises. The bus carried 18 passengers.

Announcement has been made by Supt. of Schools Darrell R. Blodgett of the appointment of Miss Elizabeth Brown of Cedar Falls, Ia., as principal of Washington school. She will succeed Miss Anna Hopper who is retiring after long service with the schools.

J. ELIZABETH BROWN

Miss Brown is a graduate of Kansas State Teachers' college. She received her master's degree from Wisconsin university in 1946 and was awarded a fellowship from that institution. She is a member of Kappa Delta Pi, an honorary organization of educators.

In 1945 Miss Brown served as research assistant at the University of Wisconsin. She has had ten years of experience in the elementary field and is well qualified for administrative work. A book which she co-authored, "Guiding Primary Children," was published by Iowa State Teacher's college in January of this year.

At present Miss Brown is teaching courses in education at Iowa State Teacher's college and is also serving as consultant in elementary education to the schools in the Cedar Falls area. This extension work is mainly in the fields of language arts and remedial reading.

During the summer Miss Brown will attend Temple university, where she will take additional work in the field of reading from Dr. Emmett Betts. In August she will come to Jacksonville to begin her duties.

Ceremony Unites Beulah Willis And Joe Hill

White Hall—Beulah Willis and Joe Hill were united in marriage Sunday afternoon, May 16, at the First Baptist church in Pleasant Hill. The Rev. M. R. Smith, pastor, performed the single-ring ceremony in the presence of the immediate families and close friends.

The bride is the daughter of Mr. and Mrs. Elza Smith of Pleasant Hill. Her husband is the son of Mrs. Clara Hill and the late William Hill of White Hall.

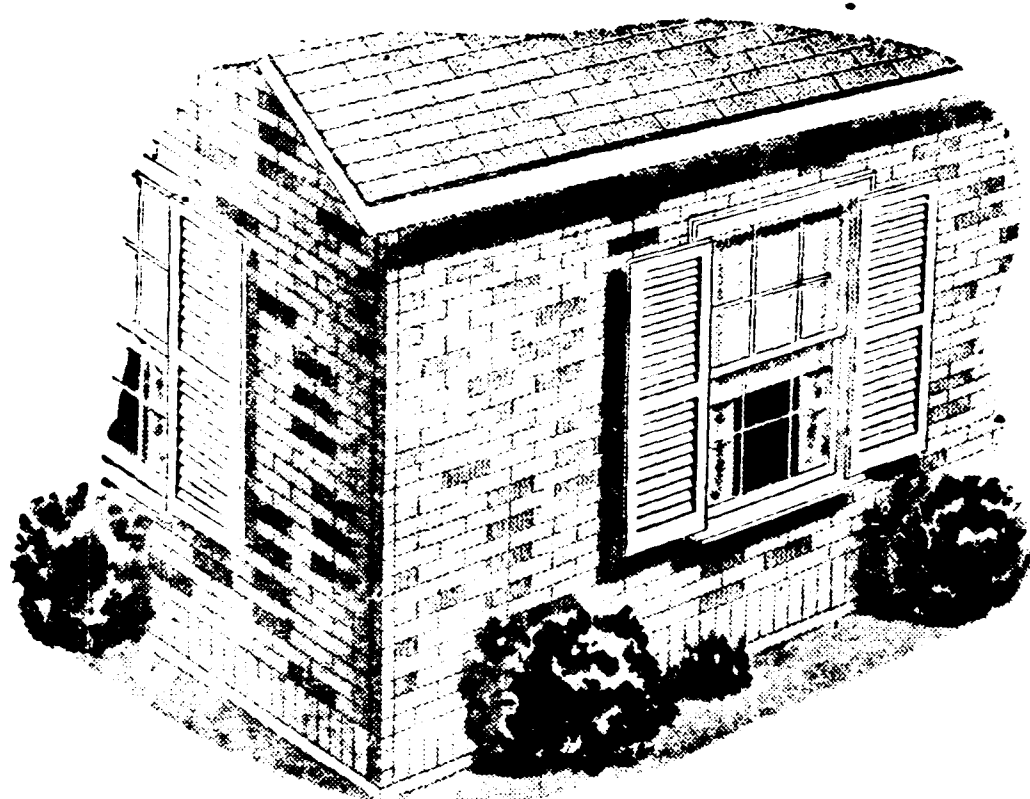

For her wedding the bride chose a beige suit, with which she wore brown accessories.

A reception was held in the church parlors immediately after the ceremony.

Mr. and Mrs. Hill will live in White Hall, where the bridegroom is employed at the White Hall dairy.

At Least 8 Dead

Kearny, N.J., May 18.—(AP)—Blazing naphthalene sprayed by an exploding 5,000-gallon tank late last night set fire to an adjoining building of the Koppers company tar and chemical division plant and took at least eight lives.

Police Lt. John Perry said eight bodies had been removed from the fire-ravaged building. All were burned beyond recognition.

Firemen searched for additional victims in the ruins of the building in which workers had been preparing to change shifts.

REALTOR
6—Dunlap Court Phone 243To Hold Hearings On
Change Of Boundaries

Several public hearings on petitions requesting school district boundary changes will be held Thursday morning and afternoon in the circuit court room, according to announcement Tuesday by County Supt. John C. Deem.

The policy of the superintendent's office has been to grant all petitions signed by two-thirds or more of the legal voters of the described area unless a preponderance of evidence against allowing the petition is presented at the hearing.

Hearings will be conducted on the following daylight time schedule:

10:30 a. m. D.S.T.—Petition of Wilburn Kinzett, et al., petitioning detachment of all or parts of Sections 34, 35 and 36; Twp. 16-8 and Sections 28, 29, 31, 32 and 33; Twp. 16-8 from the Ashland Community Unit School District No. 212 of Cass, Menard, Sangamon and Morgan counties, and attachment of said territory to the Alexander-Franklin-Nortonville Community Unit School District No. 1 of Morgan county.

Petition of Charley Robinson, et al., petitioning detachment of all or parts of Sections 34, 35 and 36 of Twp. 16-8 and all or parts of Sections 19, 20, 21, 28, 29, 30, 31, 32 and 33 of Twp. 16-8 from the Ashland Community Unit School District No. 212 of Cass, Menard, Sangamon and Morgan counties, and attachment of said territories to the Alexander-Franklin-Nortonville Community Unit School District No. 1 of Morgan county.

1:00 p. m. D.S.T.—Petition of Thomas R. Parlier, et al., petitioning attachment of the Jersey College Common School District No. 68 to the Arenzville-Concord-Chapin Community Unit School District No. 27 of Morgan and Cass counties.

1:30 p. m. D.S.T.—Petition of Chester Thomason, et al., petitioning detachment of certain described areas roughly corresponding to the old boundaries of the West Liberty Common School District No. 83 from the Arenzville-Concord-Chapin Community Unit School District No. 27 and attachment of the same to the present West Liberty Common School District No. 83 of Morgan county.

2:30 p. m. D.S.T.—Petition of Edgar Burrus, et al., petitioning annexation of the present Meredosia High School District No. 125 in Cass and Morgan counties, plus a part of Island Common School District No. 42 of Cass county, and plus all of the former Bluffs Community High School District No. 122 in Morgan county to the present Arenzville-Concord-Chapin Community Unit School District No. 27 of Morgan and Cass counties.

Ceremony Unites
Phyllis Geske,
Harry DeFrates

In a double-ring wedding service performed May 8 in the parsonage of St. Patrick's church in St. Charles, Ill., vows of marriage were exchanged by Miss Phyllis Maxine Geske, daughter of Mr. and Mrs. Max Paul Geske of St. Charles, and Harry E. DeFrates, son of Mr. and Mrs. Edward DeFrates of Woodson. The bride was attired in a street length dress of pale blue crepe, with which she wore white accessories. Her jewelry was a pearl necklace given her by the bridegroom, and her corsage was of white carnations and lilies of the valley.

Her only attendant was her cousin, Miss Dorothy DeBeir, Miss DeBeir wore a dress of chartreuse, with black accessories. Red carnations fashioned her headpiece and corsage. The best man was Louis Geske, brother of the bride.

A reception was given at the home of the bride's parents following the wedding. Guests included the bridegroom's grandmother, Mrs. Thomas Meyers of this city, his brother, Thomas, and his sister, Becky June, of Woodson. The couple left for a two-weeks wedding trip to Florida.

The bride is a graduate of the St. Charles Community high school and is employed at a St. Charles store. Her husband attended Jacksonville high school and is employed at the Revere Engineering Co., in St. Charles.

Of Jewish State
Surprised Arabs

Cairo, May 18.—(AP)—A Palestine Arab higher executive spokesman said today Russia's recognition of Israel comes as no surprise to Arabs but America's recognition last week was an eye-opener.

"We have known for a long time, that Russia is trying to gain a foothold in the middle east," said the spokesman, Yacoub Khoury.

"What surprised us, however, was United States' recognition of the proclaimed Jewish state. It's the first time the United States has agreed with Russia on this issue, thus helping Russia in Soviet intentions regarding the middle east."

511 State Cities
On Daylight Time

Springfield, Ill., May 18.—(AP)—About four of nine Illinois municipalities, including most of the larger ones, are operating on daylight saving time.

A final compilation by the Illinois Municipal league showed today that 511 of the State's 1159 cities, villages and towns abandoned standard time for the summer months. There were 482 last year and 713 in 1946.

Record Mackerel
Run In Florida

Bradenton, Fla., May 18.—(AP)—The record mackerel run here is continuing in such proportions that eight-year-old Shirley Brownell stopped for 15 minutes on the way to school and hauled in 10 of the fish.

Many individuals reported daily catches of more than 100. When the water is clear the fish can be seen snapping hungrily at bare hooks.

Chicagoan Will
Head VA's Decatur
Contact Office

Chicago, May 18.—(AP)—The Veterans Administration announced today that James W. Moncur of Chicago will head the VA contact office to be re-opened in Decatur, Ill.

Moncur formerly was in charge of the contact office at Bloomington, Ill. A spokesman at the VA regional office here said Moncur would re-establish the Decatur office "as soon as the VA real estate division can find suitable space for the office there."

Arrangements for re-opening three other contact offices in Illinois have not been completed, he said. All contact offices in the state were closed in a recent retrenchment move, and their functions taken over by district and regional offices.

In a good travel year, tourists in Canada are estimated to consume some 4,000,000 pounds of butter, 4,000,000 dozen eggs and 18,000,000 pounds of beef.

WHITE HALL, ILL.Crops Damaged By
Pa. Hail Storm

Lancaster, Pa., May 18.—(AP)—Old Man Winter took a curtain call in this farming region yesterday.

A freak storm dumped tons of hailstones, ranging in size from that of peas to small cherries, in several sections of rural Lancaster county. While their fathers were bemou-

ling the damage to crops, many children got out their sleds and enjoyed a bit of sledding.

Carrollton Girl Becomes Bride Of Springfield Man

Carrollton—At a 5 o'clock wedding ceremony in the Methodist church on Sunday, May 16, Miss Florence Jouett of this city became the bride of Wendell Burkholder of Springfield. The double ring ceremony was performed by the Rev. Marshall D. Ulm before an altar banked with baskets of gladioli, carnations and

snapdragons in pastel colors with a background of green fernery and flanked on either side by white tapers held in tall candelabras. The bride, given in marriage by her brother-in-law, H. T. McAdams of Bethalto, chose for her wedding a pastel pink gabardine suit with which she wore navy blue accessories. Her corsage was of orchids.

Mrs. Newton Elliott of Springfield, the matron of honor, wore a pastel blue gabardine suit with navy accessories and her corsage was of red rosebuds. Clifford Burkholder of Springfield served his brother as best man.

Following the wedding a reception was held at the home of the bride's mother, Mrs. Rual Jouett, with 70 guests in attendance. After the reception Mr. and Mrs. Burkholder left on a week's wedding trip to the South, and upon their return they will make their home at 302 1/2 East Washington street, Springfield.

DISPLAY ANTIQUES AND TELL HISTORY

Winchester.—The women's committee of the Scott County Farm Bureau met at the home of Mrs. Russel Norman with 11 members and one guest answering roll call by displaying a family heirloom and giving the history of its origin.

An interesting talk on "Antiques" was given by Rev. R. L. Schwab. At the close of the meeting refreshments were served by the hostess.

First Boston-built ship was a 200-ton sailing vessel, the "Trial," built in 1642.

"It truly is a Laxative Food"

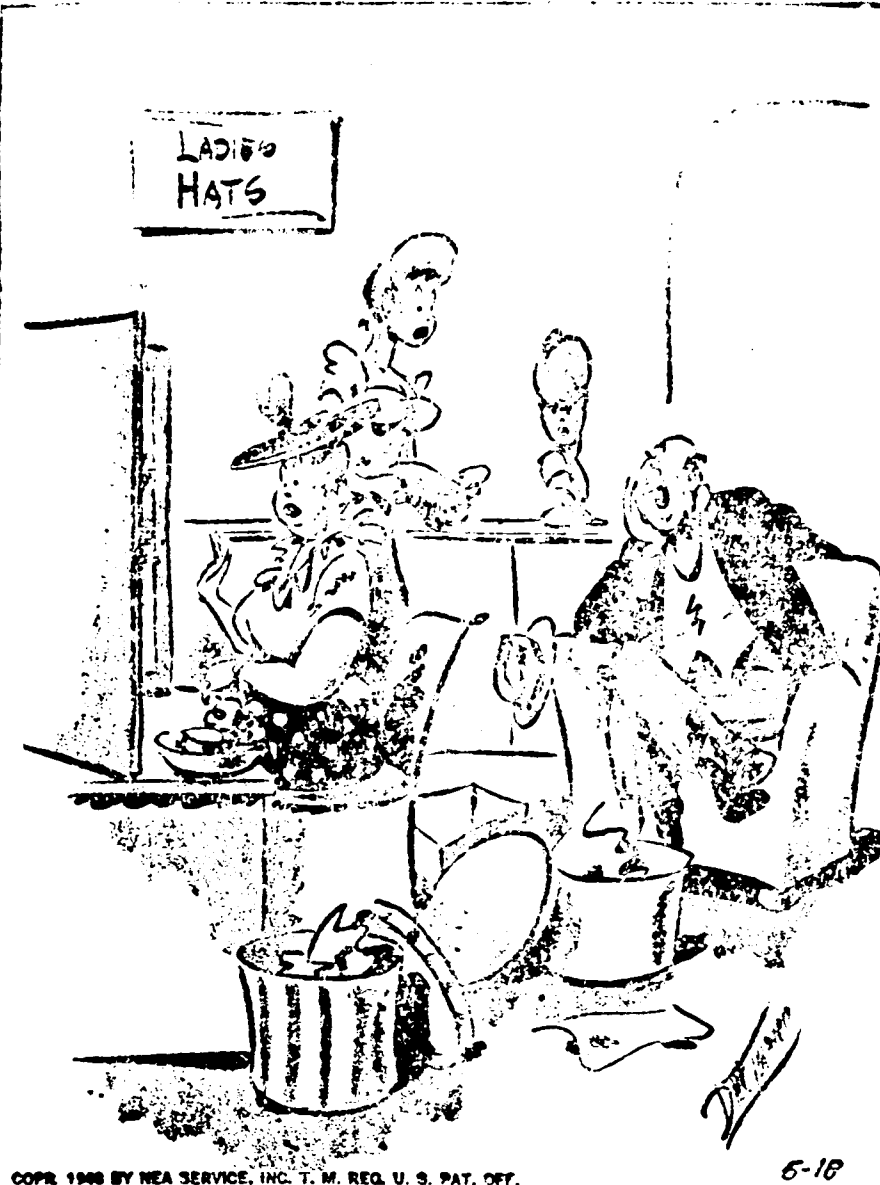

"Anyone troubled with constipation as I was, should try eating KELLOGG'S ALL-BRAN regularly. It has done me so much good!" Mrs. Henry Wilkowski, Kewwood, Pa. If your diet lacks the bulk you need for regular elimination, eat an ounce of KELLOGG'S ALL-BRAN every day in milk—and drink plenty of water. If not satisfied after ten days' trial, send empty carton to Kellogg Co., Battle Creek, Mich., and get DOUBLE YOUR MONEY BACK. Order KELLOGG'S ALL-BRAN today.

Men Needed By Army For Many Specialized Jobs

M Sgt Robert Burns, Jr., NCOIC of the Jacksonville U. S. Army and U. S. Air Force Recruiting Station announced Tuesday that the 5021 ASU Station Complement, Ft. Riley, Kansas, urgently needs men in the following job specialties: clerks general, cooks, dental lab technician, projectionists, classification specialists, personnel technicians, clerk typist, medical technicians, administrative NCOs, financial clerks, medical NCOs, supply NCOs, mess stewards, and supply clerks.

Request for authority in each individual case must be made to Headquarters Army and no enlistment may be made without this authority. M. Sgt. Burns has suggested that any man from the Jacksonville area who is interested contact the local recruit-

ing station in the Post Office Building for particulars and possible application for one of these assignments. If qualified by reason of prior service in one of the above job specialties.

SCOTTVILLE WOMAN DIES AT AGE OF 76

WARDS COOLER DOES A BETTER JOB—FOR LESS!
296⁵⁰

HERE'S EVERYTHING YOU WANT IN A FINE MILK COOLER

You can depend on Wards electric milk cooler to cool your milk fast... and to keep it cool! That means low bacteria count—more money for your milk! Wards cooler does a better cooling job because it operates on the faster, more uniform circulating water method. And its efficient refrigerating unit (equipped with Delco motors) and strong, fiberglass-insulated cabinet will give years of good service. See it TODAY!

WHY WARDS CIRCULATOR AGITATOR COOLS YOUR MILK FASTER AND BETTER

The cutaway view shows how the circulator in the center of the coil keeps the water in motion. This prevents a "cold" bottom and a "warm" top. And that means ALL the water (and your milk) cools faster... and uniformly! Milk is cooled from animal temperature to 50° in less than an hour!

COMMUNITY CLUB HONORS TEACHER OF SHERMAN SCHOOL

Mrs. Harriett Milburn, for the last three years teacher at the Sherman school, was presented a gift by the Sherman Community club at its meeting held at the school. Mrs. Milburn has resigned her position as Kechner, president, and Mrs. Frank Bourn, secretary, will take office.

R. J. Ash of the Farm Bureau showed pictures of "Aluminum and Its Uses" and "Safety on School Buses." A talk entitled "The Do's and Don'ts of Life" was given by Major Henri Servais. The first meeting of the new term will be held on Sept. 19. At that time several years ago Mr. Wooten was chief engineer at the Illinois State hospital this week. Mr. Wooten was transferred here from the St. Charles School for Boys where he held a similar position. Several years ago Mr. Wooten was chief engineer at the Illinois State hospital for the blind. James V. Stenboll, chief engineer at the State hospital here for several years, has been transferred to the Manteno State hospital in similar capacity. He will assume a vacancy caused by the retirement of an engineer who has spent many years in state service.

Clarence Wooten Returns Here As Chief Engineer

Clarence Wooten, a former resident of this city, assumed his new duties as chief engineer at the Jacksonville State hospital this week. Mr. Wooten was transferred here from the St. Charles School for Boys where he held a similar position. Several years ago Mr. Wooten was chief engineer at the Illinois State hospital for the blind. James V. Stenboll, chief engineer at the State hospital here for several years, has been transferred to the Manteno State hospital in similar capacity. SEE YOUR CHEVROLET DEALER AND JOIN UP... TODAY

Go with your father or mother to your Chevrolet dealer, and sign the Soap Box Derby entry blank. The dealer will give you, free, the official 1948 rule book and your driver's license.

The rule book, simple and easy to understand, tells you what to do and how to do it. Study the rules carefully before beginning to build your race car. They give you all the information you need, on measurements, materials, and design, for building a safe and speedy racer.

Plan before you begin to build. (The rule book shows different frames and bodies to guide you.) Then, make a list of what materials you need. There is a low limit set on the total cost of a Soap Box Derby racer—so don't worry about possible expenses.

Build the frame first. Then add the axles and wheels, steering device, and brake. As you work, keep checking on the rules, to be certain that your racer will be permitted to enter. The rules are purposely drawn to keep down costs, and to give every boy an even chance to win.

There are lots of prizes for entrants in each city... and the city champion goes to Akron, Ohio, for the great national finale. The winner there, out of 150 boys, is the national champion—and receives a four-year college course, free.

The One in the Middle's an Alien

Mrs. Anna C. Bonati, 33, leaves Ellis Island, New York immigration center, after immigration officials released her. She had been detained because her six-month-old baby, Richard, is regarded as an alien under a recently changed immigration ruling. Mrs. Bonati, a native of Rochester, N. Y., and wife of an Italian, had been living in Italy for 18 years. Older son Frank, 12, left, is a citizen under the old ruling. Richard was paroled pending further investigation.

Would Reorganize Sangamon County School Districts

Springfield, Ill., May 18.—(AP)—A proposal to reorganize 17 school districts and part of an 18th in and around Springfield into a single unit was submitted today to the county school superintendent.

A petition for a special election on the proposed change was presented to Superintendent W. O. Withrow, who under state law must set a vote within the next 30 days.

More than 13,500 grade and high school pupils would be affected. If the referendum carries, 88,606 persons residing in a 234 square mile area would be lumped together for school administration purposes.

IC Loses First Loop Tilt To Wesleyan 5-2

At I.C. Today—The Illinois College Blueboys will the third, but in the fifth the Blueboys' first return game with Wesleyan nine scored again on a walk and a field diamond. Coach Joe Brooks free ticket to first, and went on to play to start John Maynard, and second when Gregory went out. Bill Marsh, a Wesleyan freshman, will probably handle mound duties for the visitors.

Bloomington (Special)—Illinois College took it on the chin for the first time in conference play this season when they bowed yesterday afternoon to the Wesleyan nine 5-2. The loss was a sharp setback to the Blueboys' big season, as they were unable to push back of scoring punch was again the Wesleyan nine. The loss, however, knocked the Blueboys from the loop lead, as North Central, owning a record of 6 and 1, backed into the No. 1 spot.

Previous Game Called In Tie
The two teams meet again today at Russell Field. In their previous encounter on the I.C. diamond the game was called because of darkness at the end of 11 innings with the score knotted at 5 all.

The visiting nine opened the game with a run in the first inning. Third-sacker Paul Stroud walked and promptly stole second. He advanced to third on Thomure's ground out and scored on Gene LeMay's single. Weiskopf then got the next two men before any more damage could be done.

Titans Quick Lead
The Titans didn't wait long to tie the score, for Alex Cosmidis, the lead-off man, immediately homered. He hit a long drive past Evo Bernadini in left field and scored when Bernadini had difficulty fielding the ball in the wet grass. The home team counted twice more in the first upon Roy Thoele's triple, a walk to Johnny Gabos and a single by the clean-up man, Ed White.

Browns Hand First Defeat To Reynolds As Yanks Lose 6-5

St. Louis, May 18.—(AP)—Allie Reynolds tasted defeat for the first time this season as the St. Louis Browns handed out a 6-5 triumph over the New York Yankees.

Reynolds, who began the game boasting five wins, gave up all St. Louis runs before bowing out for a pinch-hitter in the sixth inning.

The Yankees gave Reynolds a 3-0 lead by scoring three times in the first inning but the Browns tied the count in the fourth. After the fifth on homers by Charley Keller and Johnny Lindell, the Browns again came back with three in the half of the fifth to win the game. Bob Dillinger walked to start the Browns' winning rally. He scored on Chuck Stevens' double. Stevens came home with the tying run on Gerry Priddy's triple and Priddy scored the payoff counter on White Platt's fly out.

Senators End Losing Streak
Chicago, May 18.—(AP)—The Washington Senators opened their first western invasion with a 5-4 victory in twelve innings over the Chicago White Sox here today. It ended a four game losing streak.

In winning their third straight from Chicago, the Senators handed the White Sox their eleventh setback in the past 12 games.

Ray Scarborough, third Washington pitcher, singled to score Ed Stewart with the winning run in the third extra round. Stewart had walked and advanced on Jack Egan's safety.

Chicago scored in the fourth and added two more in the sixth on Bob Kennedy's single. Luke Appling singled. Cass Michaels' home with the tying run in the seventh.

Tigers Win at Home
Detroit, May 18.—(AP)—The Detroit Tigers exploded for 10 runs in two big innings today and raked up a 10 to 7 victory over the Boston Red Sox in the opener of a two-game series.

It was the second win for the Tigers in nine starts at home.

The Sox pushed over four runs in the fifth inning for four hits, including Ted Williams' double and a triple by Bobby Doerr, and the 17-0 fans settled back for what apparently was the usual pattern for games at Briggs Stadium this season.

But the Tigers gave the customers something to cheer about in the next frame, getting seven runs on five hits and Doerr's error. Pat Mullin, Hot Evers and Vic Werz singled in succession and when Dave (Doc) Ferris issued a pass to George Vico, veteran Danny Galchouse came in to relieve him.

Cleveland Takes Lead
Cleveland, May 18.—(AP)—Cleveland's Indians moved past the Philadelphia Athletics by a few percentage points tonight and took first place in the American league by trouncing the A's 6 to 1.

Cleveland sent two men home in the first inning when Allie Clark's triple scored Thurman Tucker and Clark crossed the plate on Joe Gordon's infield out.

Four more Cleveland runs followed in the second frame. Gene Bearden's single drove in Pat Seery and a one-bagger by Tucker pushed over him again. A triple by Eddie Robinson brought in Bearden and Tucker.

Philadelphia made its run in the seventh, when Buddy Reiser singled and later scored on Eddie Joost's single.

Lou Brisse opened for the Athletics, but went out in the second after the Indians had pounded him for four hits. Bob Savage and Charles Harris followed him to the mound.

Springfield Softball Team Here Tonight

The Franklin Insurance company softball team of Springfield, one of the capital city's fastest entries, will appear here tonight at 8:45 o'clock (DST) in the feature game of the Jacksonville Recreation club's second night doubleheader at Nichols Park diamond. Myers Bros. team will be on hand to furnish opposition.

Here Last Year
The Springfield team played here last season, gaining a large number of supporters in a fine exhibition. The club last year boasted several speedy colored performers and is reported to have approximately the same roster this campaign.

Myers Bros. 1946 city champs and a leading contender last year, have a tough assignment and will probably send their old reliable, Pete Lynn, to the hill in search of victory.

The game will be preceded by a 7:15 preliminary combat between two of Jacksonville's AA league entries, the American Legion and the Jacksonville Merchants.

Opened With Victory
The American Legion got Jacksonville's battle with out-of-town clubs off to a fitting start Sunday night by edging out the Fix-It team of Springfield in a thriller. An even larger crowd is expected tonight to see Myers Bros. take on another real "toughie."

A third pay-night attraction is booked for Saturday night, when the American Legion faces one of its hardest tests of the year in the form of the strong Traders' nine from Granite City. Traders', with steller mound performer Max Legate, were a state tourney contender last season.

Cards Edge Brooklyn
Brooklyn, May 18.—(AP)—Eddie Slaughter's two-run homer over the right field wall backed up steady pitching by George Munger today to give the St. Louis Cards a 4-3 edge over Brooklyn in the opening game of their first eastern trip.

Spider Jorgensen's home run over the right field wall after Ralph Branca singled in the fifth tied up the game 2-2 but the Cards bounced right back to regain the lead on Slaughter's clout following Stan Musial's single in the sixth.

The Cards broke a scoreless duel between Munger and Branca with a run in the fourth on Musial's double and Whitey Kurowski's single to center. They added another in the top of the fifth when Branca walked. Marty Marion and Munger and Ralph La Pointe singled to left.

A Dodger spurt in the bottom of the sixth netted a run on La Pointe's two-base error and Bruce Edwards' single. Manager Leo Durocher chose to let Branca bat for himself with men on first and second and one out. The pitcher hit into a double play.

Elks, K. of C. And V. F. W. Win Softball Games

The Elks won an error-filled ball game last night as they scored three times in the fourth inning to grab a 4-2 victory from the Moose team.

Neuner, the winning pitcher, almost won the ball game himself in the fourth inning as he tripled to right field, driving in one run, and scored on an attempted fielder's choice the next play.

Clements, the losing pitcher, gave out only four hits, and the four errors committed by his teammates figured in all the Elks' scoring.

VFW GETS BIG INNING
The Nesco nine was unable to re-tire their opponents, the VFW, in the second inning last night as the soldiers scored seven times in that canto to ice their contest and win, 7-2.

Wild pitches, three hits and four errors figured in that frame, and although the Nesco men came back with two tallies in the third on two hits, they were unable to catch up before the time limit for the game was passed.

Barnes, the VFW chucker, added to his cause with a double in two times to the plate. The loser was Hamm.

Rotary Takes 5-4 Victory Tuesday: Lions Win Easily
The Kiwanis soft ball team edged the Rotary club at Nichols Park Tuesday night with a final 5-4 victory. The Kiwanis' lead came in the fourth inning when they scored four runs on a walk, a single and a double by Carmean, the Kiwanis center fielder. Conrad was safe at first on a fielder's choice, and he scored on Perkins' line double to center field.

Perkins was the winner, giving up just six hits and Wilson was charged with the loss.

Crimsons Will Play Powerful Spaulding Team This Evening

Meet Spaulding Tonight
Jacksonville High school plays against Spaulding of Peoria in the finals of the Canton sectional at 8 p.m., daylight time, today at Canton. Spaulding, rated one of the top contenders for the state crown, defeated Rock Island 2 to 1 yesterday.

Canton (Special)—The J.H.S. Crimsons pounded out eight runs in the first three innings last night as they won their initial trial in Canton sectional play, beating Western High of Macomb 9 to 4. After the second inning there was little doubt about who would win, and the Jacksonville nine was able to coast the last five innings.

Play Today
Routt's Rockets are scheduled to go to Mt. Sterling this afternoon for a makeup P.M.B.C. conference baseball game. It is the only regularly-scheduled tilt on the sports chart.

Although J.H.S. play was not equal to their work of the night before, it was sufficient to hold the losers to four runs. The sackwork of the Crimsons was unusually strong, and Western miscues added to the scoring.

Tally On Errors
In the first inning the winners scored three runs on only one hit, one error and two walks. In the second their four tallies were counted on three errors, three hits and a walk.

Western seemed to be making a strong comeback bid in the third when they put together one walk, a single and a double.

We Invite the Navy to put on the Gloves

Officers actually handle the ship with gloves on Saturday inspections. Woe to the responsible sailor if the inspecting officer's white glove shows a smudge after touching something that is supposed to be spotlessly clean! ... Every day is Saturday in the home of Budweiser. Tiles shine immaculately. Floors are spotless, glass crystal clear. Yes, a white glove will stay white where Budweiser is made. Such precautions for purity's sake are necessary to bring you the distinctive taste that sets Budweiser apart from other beers.

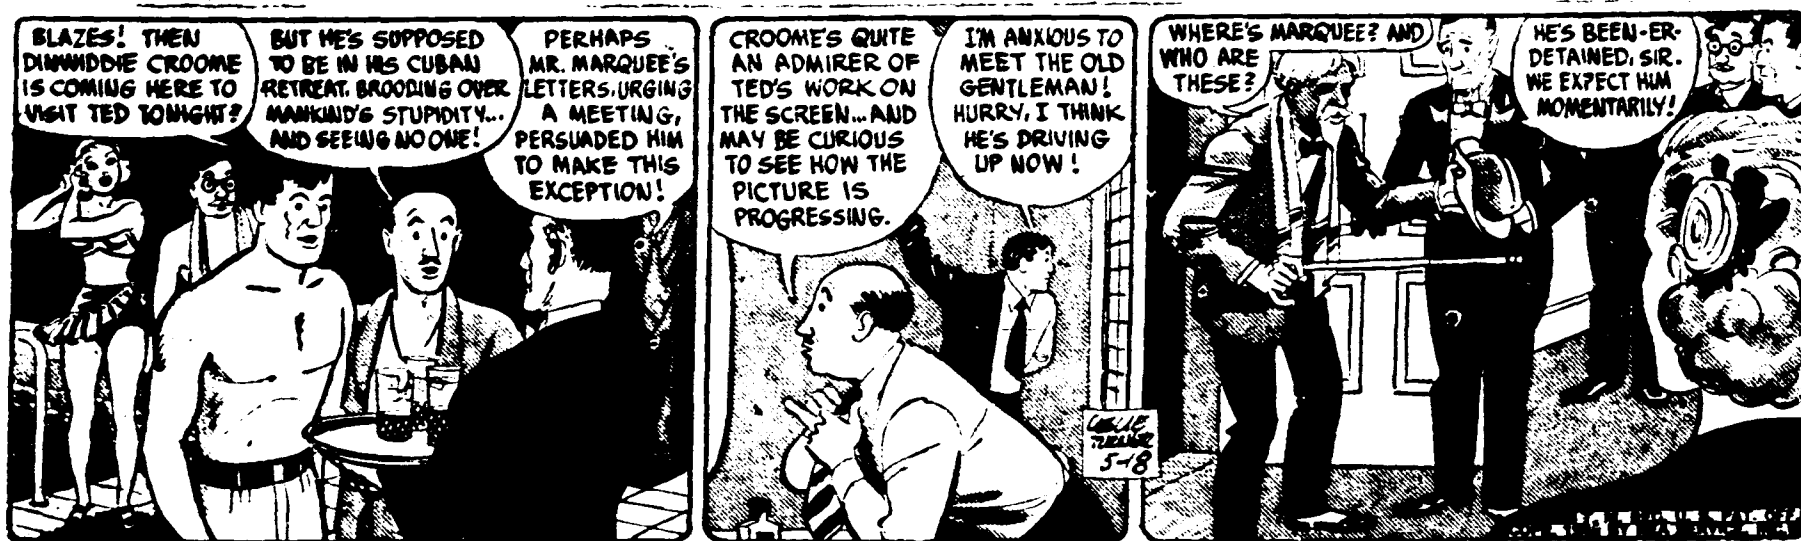

MAKE THIS TEST!
DRINK Budweiser FOR FIVE DAYS
On the sixth day try to drink a sweet beer
You'll want the distinctive taste of Budweiser thereafter
Because of our great expansion program, more Budweiser is available now. Demand it wherever you go.

WE WILL ALLOW

Military Services For Pfc. Dunbar To Be Friday

The body of Pfc. John M. Dunbar, who was killed in action in France on July 20, 1944, will arrive at the G.M. and O. railroad station here Thursday at 5:10 p.m., standard time, and will be taken to the Gillham funeral home.

Graveside services will be held in Walnut Ridge cemetery Friday at 2 p.m., standard time. The Rev. Chandler Burton, minister of the Virginia Presbyterian church, will officiate, and military rites will be conducted by the Army, American Legion and V. P. W. posts of this city.

The funeral cortege will leave Gillham's Friday at 1 p.m., standard time.

Pfc. Dunbar, whose widow, Mrs. Clara Dunbar, resides at 138 West Morton avenue, is a former resident of Virginia, where he was graduated from high school.

He entered service on May 5, 1942 and received his basic training at Fort Knox, Ky. After serving with the U. S. armed forces in Africa for two months, he was returned to this country in April, 1943, for hospitalization. In May, 1944, he was sent to England and later to France.

Survivors are: his widow, four brothers, Thomas and James Dunbar, both of Springfield, Leslie Dunbar of St. Louis, and Robert Dunbar of Virginia; one sister, Mrs. Rebecca Boyd, and a half-sister, Mrs. Helen Keitner, both of Virginia. One brother, Joseph, is deceased.

Plan Final Rites For Aged Resident Of Hillview Today

White Hall—Funeral services for Alexander Roof, 82, a life-long resident of the Hillview community, will be held today at 2 p.m. at the Hillview Baptist church. The Rev. John Alexander will officiate. Burial will be in White Hall cemetery.

Mr. Roof was a carpenter by trade. He died suddenly Monday at 6:30 p.m. evidently from a heart attack, while gathering eggs. The body was prepared for burial at the Davy funeral home, but was returned to the family residence in Hillview Tuesday afternoon.

He was united in marriage with Lula Boyd Seals in 1906. She survives, with one son, Edgar of Springfield, one step-son, Herschel Boyd of Mexico, Mo., two grandchildren and three great-grandchildren.

Hillview Athletes Feted At Banquet Given By Mothers

White Hall—Members of the Hillview high school athletic teams were feted at a banquet given this week by their mothers at the high school gymnasium.

Coch Howard Beeline was the principal speaker.

This group of boys won the annual tri-county track and field meet at Roodhouse this year.

Members of the Senior Class recently observed the annual "Skip Day," when they motored to St. Louis by bus and visited places of interest.

Mr. and Mrs. Wilfred Range have moved from an apartment on East Bridgeport street to a farm near Greenfield.

Neil Walker was accompanied by Bill Schroeder and Ken Barnard to Champaign Friday and Saturday. Bill and Ken participated in the state high school track and field meet at the University of Illinois.

T. J. Woodard is spending three weeks with his parents, Mr. and Mrs. H. L. Woodard, on Carr street. Mr. Woodard is employed by a river barge company at Alton.

Glasgow Streets To Get Oil Coat

Glasgow—The contract to oil the two main intersecting streets of the town has been let by the village board. However, the start of the oiling will depend on the completion of the proper conditioning of these streets by the county highway department, which has not, to date, been started.

Mrs. Cliff Lewis, Glasgow postmistress, received word Monday of the death of her father, E. P. Richardson, 80, of Winslow, Ind., which occurred earlier that morning, following an extended illness. Mr. and Mrs. Lewis left Tuesday morning for Winslow by car to attend the funeral services.

Donations made to the Glasgow Cemetery Association fund recently are listed as follows: Frank Coates, Jacksonville, \$3; John Coates, Jacksonville, \$1; Earl Metcalf, Riggsport, \$1; Byron Piper, Jacksonville, \$1; Cliff Lewis, Glasgow, \$5; The John Robertson family, \$10.

Wayne Fundel, who has been receiving treatments for a fractured ankle at Our Saviour's hospital in Jacksonville the past week, was able to come home Sunday.

Miss Mollie Gauges and brother, Albert Gauges of Glasgow were called to Winchester the latter part of last week by the serious illness of their brother, Peter Gauges, who has suffered another stroke. His condition has since remained critical. Miss Gauges is remaining in the home, helping care for her brother.

MacMurray Dean To Speak May 26 At Carrollton

Carrollton—Mrs. Roma Hawkins, dean of students at MacMurray college, Jacksonville, will be guest speaker at the commencement program to be given Wednesday evening, May 26, honoring the senior class of the Carrollton high school. Musical numbers on the program will include a group of songs by a quartet, a quintette and a group of nine young men of the senior class. Singers in the quartet will be Miss Joan Daniels, Miss Maxine Varble, Bob Reynolds and Bill Hamel. Members of the quintet will be Miss Mary Ann Plummer, Miss Carol Reno, Miss Joan Daniels, Miss Helen Fry and Miss Maxine Varble. Singing in the group of nine are Bill Hamel, George Brannan, Bob Black, Bob Reynolds, Dale Brant, Bill Skaggs, Carl Powell, George Darr and Bill Powell.

The annual baccalaureate service annual sermon will be held Sunday evening, May 24, in the local Methodist church, with the Rev. Marshall D. Ulm, pastor of the church, delivering the address. Special music for the service will be by the girls' chorus of the high school and an organ and piano number by Miss Virginia Dowdall and Miss Donna McDonald.

The Rev. Don Hawkins of the faculty of Shurtleff college will be the speaker at the annual students' tea to be given Thursday afternoon, May 20, in the Baptist church. Guests will be the seniors and the members of the faculty of both the high and grade schools. Special musical numbers will be furnished by a group of students from Illinois college, Jacksonville. The student tea is annually sponsored by the Missionary society of the Baptist church.

Methodist Youth Of This District Select Officers

Officers were elected recently at a banquet and meeting held by the Jacksonville district of the Methodist Youth Fellowship in the Vermont Street Methodist church at Quincy. The banquet and inspirational meeting which followed were attended by 385 persons.

Officers chosen are: Lawrence Jacobs, Bowen, president; Sue Adams, Beardstown, vice president; Shirley Glossop, Winchester, secretary; Loren Muller, Jacksonville, treasurer; Lee Herche, Ray, worship and evangelism; Joanne Dunham, Quincy, world friendship; Mary Helen Potter, Jacksonville, community service; and Harry Brown, Naples, recreation.

The Methodist Youth Conference, held at Cleveland, Ohio, during the Christmas season and attended by 10,000 members of the M.Y.F., was rebroadcast during the evening. The program also included brief addresses by Betty Jean Petefish, Leland Wall and Lawrence Jacobs.

Trend Of Juvenile Delinquency Down, Says Gov. Green

Moline, Ill., May 18.—(P)—Gov. Dwight H. Green tonight said "almost every yardstick used to record the trend of juvenile delinquency indicates it is on the decline."

In an address prepared for the opening of the quad-city youth guidance institute, he declared: "Every sign we have points to an improvement in the behavior of children. Every sign we have points to the success of corrective efforts being made throughout the state, and the rapid decline of delinquency."

"In the light of this... it is the state's duty to assist local communities to meet the problems of youth. The state and the community are interdependent in this youth guidance business."

Green said experience had developed four principles in youth work. These are:

The provision of "proper social environment" for children; delinquency "symbolizes the failure of the community"; the state approach should be "through the residents, institutions, and public and private agencies of the community"; and "anything that makes the community a better place to live will work to reduce delinquency."

Winchester Forum Hears Program On 'Your Opinions'

Winchester—Hunter Chapman presented the paper of the evening at a meeting of the Research Forum No. 24 held Monday evening at the home of the Rev. and Mrs. R. L. Schwab. L. H. Kreil presided at the business meeting after the 6:30 o'clock dinner.

Mr. Chapman's paper was entitled "Your Opinions." In his remarks he stressed the importance of opinions, telling of the many factors which influence and mold public opinion, "which some claim is so important that no government, not even a dictatorship can exist without its support."

Public opinion, he stated, can probably be defined as the total of the private opinions of the people in a society, he said. It swiftly fluctuates and is not necessarily based on facts. By the time a person reaches adulthood, some of his opinions are based on facts; others on fancy. Propaganda of all sorts and kinds is used to influence opinions. Some of the tools used in molding public opinion are public addresses, schools, churches, newspapers, books, magazines, radio and the movies.

According to the speaker, no matter how groups arrive at their opinions, they are constantly changing and are important in determining the living conditions and environment of all people. It may be local or national, trivial or of world-wide importance. Facts are needed to form intelligent opinion and sometimes these are difficult to obtain.

In conclusion Mr. Chapman declared, "Our future is clouded because people don't bother themselves too much about government affairs. The average citizen knows little about tariff, subsidy, voting regulations, knowledge of history and geography. This is one of the real challenges of our schools and communities. Democracy needs citizens who believe that they understand what is going on in the world, also who believe they can be of some influence in public life. Unless we continue to exert our efforts in helping create and form the proper and correct public opinions, then the oldest democratic state in the world may perish. It has happened in practically every nation and it can happen here."

PARENTS OF SON
Mr. and Mrs. John Schaffnit of Wheaton are the parents of a son born Saturday at the Memorial hospital in Elmhurst. The infant has been named Theodore Warren. Mrs. Schaffnit is the Miss Gretchen Beadle, son of Mrs. T. W. Beadle, 715 West State street.

The Schaffnits' three-year-old son, John Ramsey, is now visiting at the Beadle home here.

A cubic foot of water is convertible into 1001 cubic feet of steam.

Officers Chosen At May Meeting Of Woman's Club

Chapin—Officers of the Chapin Woman's club were chosen at a recent meeting held at the home of Mrs. R. P. Wilson.

Those named were Mrs. Verne Smith, president; Mrs. E. C. Auden-kamp, vice president, and Mrs. Ellen O. Coultas, secretary-treasurer. Mrs. Wilson gave the program, which included articles on current problems.

Nineteen members attended. Refreshments were served.

Martin Wieries was elected reporter and Albert Taylor was accepted as a new member at a recent meeting of the Variety 4-H club held at the grade school.

James Rigor gave a talk on "Prevention of Disease in Swine" and Jesse Brown discussed "Preparing Animals for the Show Ring."

The group decided to organize a softball team with Sherman McDannald as leader.

Refreshments were served by the Bunch, McDannald and Englebreck families.

THANK YOU
I wish to thank friends and relatives for the many cards, flowers and gifts sent me while at Passavant hospital and the home of Everett Oliver Baker.

Carrollton Minister Accepts St. Louis Pastorate

Carrollton—The Rev. Gerard Gaillard, pastor of the local Presbyterian church for the past two years, has resigned his position here to accept a call to the pastorate of the Brand Memorial Presbyterian church in St. Louis. The Rev. Gaillard will conclude his pastorate here on the last of June and will begin work in his new field July 1. The Rev. and Mrs. Gaillard and children will make their home in St. Louis, Mo.
